transforming spaces (RENOVATIONS & REMODELS)

client appreciation (TESTIMONIALS)

It is with great pleasure that my wife Laura and I recommend Diamond Custom Homes as a builder for your future home. Starting with Mike Diamond and with the help of his entire staff – the difficult process of designing and building a custom home was made significantly easier.

The Diamond team showed a high level of professionalism and a particular attention to detail. They chose and managed sub-contractors extremely well. Their on-site management team was present everyday, overseeing and ensuring that every job was done with care and precision. When problems or issues arose during and after construction the staff and particularly the onsite manager was quick to respond and all issues were resolved to our satisfaction without hesitation.
